8. The winner will be determined by the entry that most correctly identifies the motor vehicle. Entrants will answer three (3) questions to identify the motor vehicle: Vehicle Make, Model, and Year. Entrants will also be asked to identify the vehicle’s Mileage at time of compaction (as a tie breaker). Entries with all of the first three incorrect answers will be eliminated from the Contest, unless all entries are entirely incorrect, in which case a random drawing of entries will be held. In the event that multiple entries

correctly answer the vehicle make, model, and year, or the best entries correctly identify only two of the three fields, or the best entries correctly identify only one of the three fields, the tie breaker will be determined by the entry that comes closest to correctly stating the Mileage as was indicated on the odometer at the time of compaction. If after the tie breaker, there remains a tie in correctly stating the Mileage as was indicated on the odometer at the time of compaction, a random contest from these entries will determine the winner. The winner will be determined on Monday, November 4th, 2019.
