

- AUTO SHOW VEHICLE CLEANING OPT OUT FORM -

As an added service to the Auto Show, we provide general maintenance of vehicle appearance during the show. All vehicles must enter the show in proper, clean condition and/or be detailed by the exhibitor during move-in for the show. Exhibitor may waive exterior vehicle maintenance of appearance if the exhibitor desires to maintain its own vehicles, but there will be no deduction in exhibit space fees. This service will be provided for all vehicles in the show, unless we receive an opt out form (below). If you do not want your vehicles maintained during the show, please fill out this form and email it to kim@enycar.org or fax the form below to us at 518-452-0810, no later than, October 8th. Otherwise, all show vehicles will be cleaned during the show.
